

Le note negli spazi

Ecco le note che si scrivono negli spazi del pentagramma. Impara il loro nome.

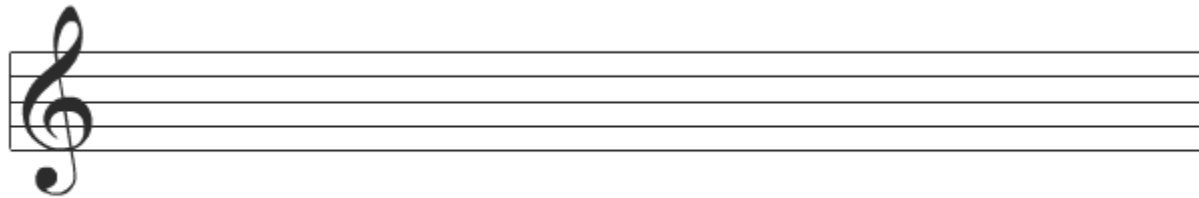

Ora leggile tante volte. Insieme al tuo compagno di banco, fate la gara a chi sa riconoscerle più velocemente.
Poi scrivi sotto ad ogni nota il suo nome.

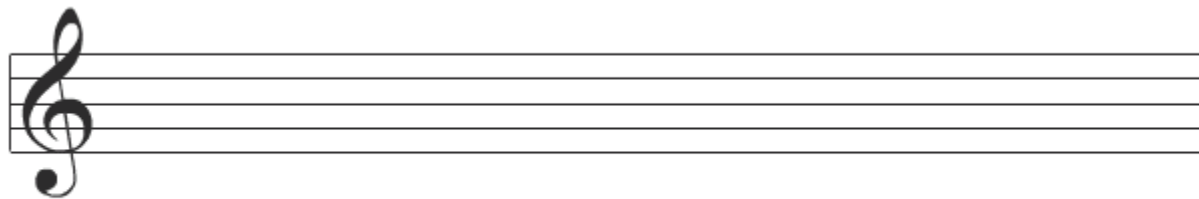

Bravo ora sei pronto per fare il dettato di note.
La maestra dice una nota e tu la scrivi al posto giusto sul pentagramma.
